Accommodation in the World Puzzle Center castle, former hotel, or House of Games

This convention is very unusual in that we do not have a single hotel that will accommodate all our attendees. There are very few rooms available in the World Puzzle Center, and we expect these will be taken the first week in February.

A **reservation form** for accommodation at the WPC will be emailed separately and is on the AGPI website; the link is <https://www.gamesandpuzzles.org/AGPI40/castle.php>

Information about local lodging will be emailed to you and can be found on the AGPI website.

Be sure to read the ACCOMMODATION sheet first! For our records only, please indicate your preference below.

Circle one: I AM / AM NOT hoping to stay in the World Puzzle Center.

I am interested in a room with private bath	___ people @ \$44 per person per night	for ___ nights
I am interested in a room with a shared bath	___ people @ \$38 per person per night	for ___ nights

Circle one: If a room with private bathroom is not available, I WANT / DO NOT WANT a room with a shared bath.
